Dear Sirs,

We wish to advise that we have not yet received the Certificate on the above patent application.

Attached is a printout of all the incoming and outgoing correspondence from the 'Image File Wrapper' section of your website. We note that our payment of the issue fee is recorded as being received, however, there is no indication of the USPTO sending out the Certificate according to your records. A copy of the 'Part B - Fee(s) Transmittal' form that has been printed out from this section is also attached.

We have already sent two letters enquiring about the issuance of the Certificate. These are recorded as being received on your website on 23 March and 22 June 2005 as 'Miscellaneous Incoming Letter'. Printouts of these from your website are attached.

**Best Available Copy**

We would be grateful if you could examine the evidence from your own records which indicate that the Certificate was not issued. Upon consideration of this evidence, we request that the Certificate be forwarded to us without further delay.

Regards,
